4 For lumpsum provision or for non-tendered items, the rates will be paid as per current minimum schedule in the case of scheduled items and rate with (ten) 10 per cent of the profit for items which do not find place in the schedule.

5 No conditional clauses will be accepted.

6 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

7 Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Electrical Division, High Grounds, Bangalore-1.

8 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which his tender will be cancelled unconditionally and his earnest money will be forfeited.

9 Each tender should be accompanied by a receipt towards earnest money paid in cash to the Chief Electrical Engineer's Office, Bangalore.

10 The final acceptance of the tender will rest with the competent authority. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Electrical Division, High Grounds, Bangalore-1, on all working days during office hours.

11 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

12 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 15 per cent on cost of the materials supplied from the Department will be charged as centage.

13 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The term "specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Civil Engineering Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

16 The Department does not undertake the responsibility to supply lorries to the contractors.

17 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

18 The works should not be sublet.

19 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, and bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

20 The contractor should furnish an income-tax clearance sales-tax clearance certificates along with the tender as per rules.

21 The contractor will, as far as practicable, recruit the personnel required by him through the nearest employment exchange in the region.

22 The contractor should furnish the tender in duplicate only and should there be any difference in rates between the original and duplicate, the lowest of the two only will be considered.

11. The contract should not be sublet.

12. The contractor should make his own arrangements for transportation of materials.

13. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precautions against all risks of accidents and if necessary provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.

14. Tenders should be submitted in duplicate. The lower out of the two will be taken into account in case there is any difference in rates noted.

15. The sales-tax and income-tax clearance certificates should be furnished along with the tenders.

16. Contractors should be agreeable to take up the work even if the same is split and distributed at the lowest rates among several contractors.

17. Conditional tenders will not be accepted.

18. Controlled materials will be supplied by the Department only on sale indents, that too if available in the departmental stores at the time of executing the work. But non-supply of materials by the Department will not be considered as a valid reason for slowdown or slackness of work and not showing stipulated progress.

19. The successful tenderer will have to pay further a security deposit at 5 per cent of the estimated cost of the work, before executing agreement and taking work order for the same.

20. Reinforcements will have to be provided for cantilever slab, tie beam, etc., as per calculations to be given by the Assistant Engineer at spot after inspection and approval by the Executive Engineer.

1 Tenders in the prescribed form obtainable from the Office of the Executive Engineer, No. 5 B.R.R.B.C. Division, should be addressed to the Executive Engineer, No. 5 B.R.R.B.C. Division in a sealed cover and superscribed as "Tender for ('Mention name of work')". The name of Tender should also be noted on the top of the cover.

2 Each tender must be accompanied by a treasury challan, for having deposited the required amount as noted above under "Revenue Deposits". No cheque will be accepted for earnest money. Requisitions for adjustments of any dues from the Government to the contractor for earnest money will not be entertained.

3 The final acceptance of the tender will rest with the Executive Engineer, Special Engineer or Chief Engineer, as the case may be, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection, if any.

4 The successful tenderer should execute a contract agreement within a fortnight from the date of communication of approval to him.

5 The earnest money of the rejected tenders will be refunded on application, only after any of the tenders is received approved or two months after the receipt of tenders if the tender of the successful contractor has not been received approved.

6 Copies of estimates and plans can be seen in the Office of the Executive Engineer, No. 5 B.R.R.B.C. Division, Tarikere, on all working days between 11 A.M. and 4 P.M.

7 Specific rates should be quoted both in figures and in words for each individual items of work. Tenders offering percentage reduction or increase will be rejected.

8 For all lumpsum items, only the minimum schedule of rates or data *plus* 10 per cent will be given if the rates do not appear in the Schedule of rates.

9 All overwritings and corrections while submitting the tenders should be attested by the tenderer.

10 The quantities given in the estimate are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions, or additions at the discretion of the Executive Engineer, or his representative. The tendered rates will hold good for any quantity, whether higher or lower than those given in the estimate.

11 The contract should not be sublet.

12 The contractor should make his own arrangements for transportation of materials.

13 The contractor is responsible for all accidents to workmen, etc., on the work and he must take precautions against all risks of accidents and if necessary provide for the same by insurance at the proper time. The contractor should arrange for the payment of royalty, tolls, taxes, etc.

14 The sales-tax and income-tax clearance certificates should be furnished along with the tenders.

15 Rates need not be quoted for all lumpsum items.

16 No conditional clause will be accepted.

17 Prescribed tender forms may be had at the Office of the Executive Engineer, No. 5 B.R.R.B. Channel Division, Tarikere, on payment of Re. 0-8-0 per form.

18 If the monthly rate of progress falls short of the minimum or if the building is not given to the Department in its full form within the stipulated period, the Executive Engineer will have the right to forfeit the earnest money and any loss to Government by way of entrusting the work to some other contractor will also be recovered.
